## In Memory Of Karen MacCuish

When a friend is gone,  
there is left a space  
and no one else can take  
her place.  
She's gone before us to a  
greater reward,  
what better company than  
with our Lord?  
Isn't that what life's all  
about? In faith we  
believe - there is no doubt.  
Today Karen is home with  
Him, Who gave her life,  
gave us a friend . . .  
A friend we could count on,  
a smile every day,  
a happy girl, beautiful in  
every way.  
Remembering her goodness,  
her spirit, her grace,  
makes the world we live in  
a much better place.  
Today Karen is free from  
all worldly cares,  
her space can't be filled by  
a million tears.  
We gather today and offer  
our prayers  
to You, God, for Karen, her  
family, our peers.  
In your mercy we know all  
our prayers will be heard,  
and, Karen, please pray for  
us here on earth.

Sister M. Annata Falla*

*"AN OPEN LETTER TO OUR PRINCIPAL"*

*Dear Sister Annata,*

*You have guided us through our four years at Pope John XXIII High School. We sincerely hope, Sister, that these four years have been as fulfilling, happy, and as satisfying for you as they were for us. You have enriched our lives with your wisdom, sincerity, insights, and ideas, having in mind the good of every person in our school. By your undying assistance you have made each and every one of us a better person. We thank you and wish you well.*

These "QUEBECIANS" make me sick!

Just gettin' comfortable . . .

Cutest little town we ever did see!!

## Our Quebec Experience

Raindrops keep fallin' on my head . . .

This ship's gonna' sink any minute now!!

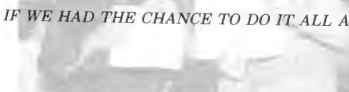

You guys are just too funny for me!!

## WHAT WOULD HAVE HAPPENED IF . . .

Sister Annata really had expelled the entire senior class  
All our activities weren't cancelled  
We had something other than tuna fish on Friday  
Sister Cor Marie was late for school  
All the clocks in the building worked  
Sister Myrna was absent just once  
Paul Camuso didn't have connections  
Sister Dorothy Grace stopped saying "Dear"  
Mike Turner wasn't a studley  
There was no Mt. Hood  
Tom Restivo failed a class  
John Moreschi was four feet tall  
Andrea Tammaro broke up with Tod  
We were allowed to go to the bathroom whenever we had to  
Sister Carolyn Walsh never heard of Jesse Jackson  
Thais was a hick  
Mr. Totten didn't teach us "How to Change a Flat Tire"  
Tony Pivero never got caught doing anything  
There were no official yellow absentee forms  
Miss Haavind looked like a teacher  
Seniors had school spirit  
John Cavaretta didn't get his ear pierced  
The Weeble wobbled and fell down  
There were no fund raisers  
Father Regan was an atheist  
Mrs. Whalen wasn't as sweet as she is

## WHAT IF WE HAD THE CHANCE TO DO IT ALL AGAIN, WOULD WE?

MUNICH was . . . wunderbar . . . "zer gut" . . . full of "elfs" and "munchkins" . . . and lots of happy memories . . . like Easter Dinner at the Roast Pork restaurant . . . and that evening at the Beer Hall . . . we had so many admirers . . . but Pat Smith didn't **really** have film to capture the moment! . . .

We tried to "speaka the deutsch" . . . we travelled on the Orient Express . . . we pranced around the gazebo at the Sound of Music site . . . and we **HAD FUN!!!** . . .

Locker time Denise?

Who's that behind those Foster Grants??

Whatever happened to Newton's Law?

Now we all know that's not Pepsi!!

Just lovin' every minute of it!

This prom is **GREAT!!**

Are all of you really on Blue Key?

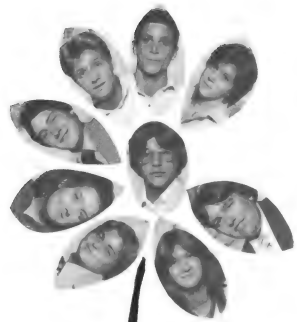

In search of . . . Guidance

The **PRINCE** and the **PAUPER**

Our Pope John years began with many changes for everyone: from a new school principal, Sr. Annata, to a new Pope, John Paul II, and a first papal visit to Boston. And throughout our years, things have continued to change.

#### REMEMBER WHEN:

- The Ayatollah demonstrated his power by taking Americans hostage in Iran, on November 4, 1979.
- Peace talks at camp David failed.
- The world sympathized with Poland' struggle for freedom.
- A new breakthrough in science occurred with the birth of Louise Joy Brown, the world's first test tube baby.
- "No Nukes" became a familiar phrase following the incident at three Mile Island, Pennsylvania.
- The United States was an unexpected victor at the Winter Olympics in Lake Placid, but the victory was spoiled when the Summer Olympics in Moscow were boycotted.
- Oak trees were bound with yellow ribbon celebrating the homecoming of the hostages on January 20, 1981, and on the same day we welcomed Ronald Reagan into the White House.
- The world fell in love with a fairy tale couple-Prince Charles and Lady Diana.
- We were shocked at the violence shown to people we all admired: The murders of John Lennon and Anwar Sadat, the attempted assassinations of Ronald Reagan and Pope John Paul II.
- We were also saddened by the deaths of others who had influenced our lives: Pope Paul, Pope John Paul I, Peter Sellers, Edger Bergen, Chad Green, Arthur Fiedler, Steve McQueen, David Jansen, and John Wayne and most recently, the tragic deaths of Natalie Wood and Paul Lynde.
- We will never forget the courage and determination of Bobby Sands and the others who died for the Irish cause.
- Proposition 2½ dampened our spirits and made us wonder if we could really "make it in Massachusetts."
- Larry Bird led the Celtics to the championship.
- Muhammed Ali made a comeback and back and back . . .
- Mike Eruzione and Jim Craig and the rest of the U.S. Hockey Team brought home a gold medal in 1981!
- Rosie Ruiz tried to fake her way to the Laurel Wreath by way of the Green Line to the finish at the Boston Marathon.
- Billie Jean King played mixed singles away from the tennis court.
- A loss was felt at the retirement of Walter Cronkite, but there was a feeling of joy as we anticipated the birth of Natalie Jacobson's baby.
- The TV death of Edith Bunker brought tears to our eyes.
- In the tradition of Charles and Diana, Luke and Laura became another fairy-tale couple.
- After her screen debut, Miss Piggy's beauty and charm made her the idol of millions.
- Brooke Shields succeeded Farrah Fawcett in becoming our new beauty queen.
- Bo Derek gave new meaning to the phrase, "on a scale of 1 to 10."
- The "Blues Brothers" were adopted into everyone's family.
- We had a wide variety of fashions-everything from purple hair and safety pins to clothes made more expensive by a simple sewn-on alligator (crocodile?).
- French braids had everyone tied up in knots.
- Our "Freak Shoes" were abandoned in favor of roller skates.
- Everyone was driven crazy by a strange and new phenomenon-the impossible Rubik's Cube.
- Tommy Restivo clobbered (?) Marina Pace.
- Veteran's Day was honored at Mt. Hood.
- "30 seconds and counting . . ."
- The Senior Snowball solely stood out as a smashing success.
- Everything planned was cancelled.
- "... Doo wah ditty ditty dum ditty doo . . ."
- Our thanks to:
  - Donna Summer, the Queen of Disco, for bringing in a new kind of music, and to Devo for taking it out again.
  - Scott Nee for imitating everyone-from Tinkerbell to Elvis.
  - Jim Servideo for keeping us laughing with his comical appearance as "Kojak" and his famous rendition of "Sound off, 1-2."
  - Helen Finn-"Aur, Aur, Aur . . ."
  - Calvin Klein, Sasson, Chic, Bon Jour, Jordache, and Sergio Valente for really getting to the bottom of things, and for putting all our "genes" in the right places.
  - Mrs. Whalen- Don't go changin' . . . !!!

The football team kicked off their season with four straight wins . . .

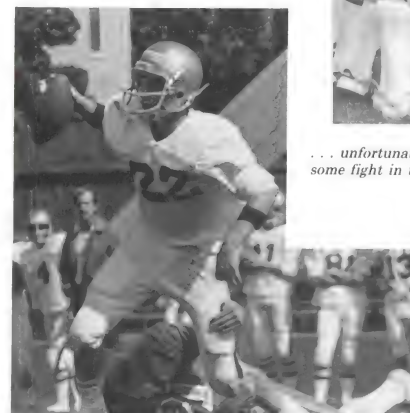

. . . But by the end of the season, they had to struggle for every yard.

All in all, the season was quite a snap!

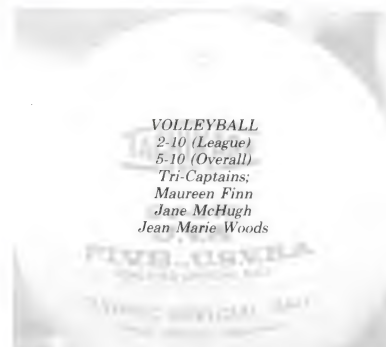

We'd put up a fight before going down . . .

. . . unfortunately, **they** had some fight in them too.

"Coach John Kearney"  
When Pope John began in 1968, they hired a man to coach their football team. This man was John Kearney. For the next 13 years, he would be a symbol of strength and leadership for the boys who would work with him. His devotion to the school and the sports program was immeasurable. As defensive coach, he disciplined his kids to a 4 shutout season. This remarkable accomplishment reflects how hard he works to give the kids pride in what they do. HE will be greatly missed by all those who were associated with him. Always remember "OTIS + TAFF + PRIDE = KEARNEY!"

### DON'T QUIT

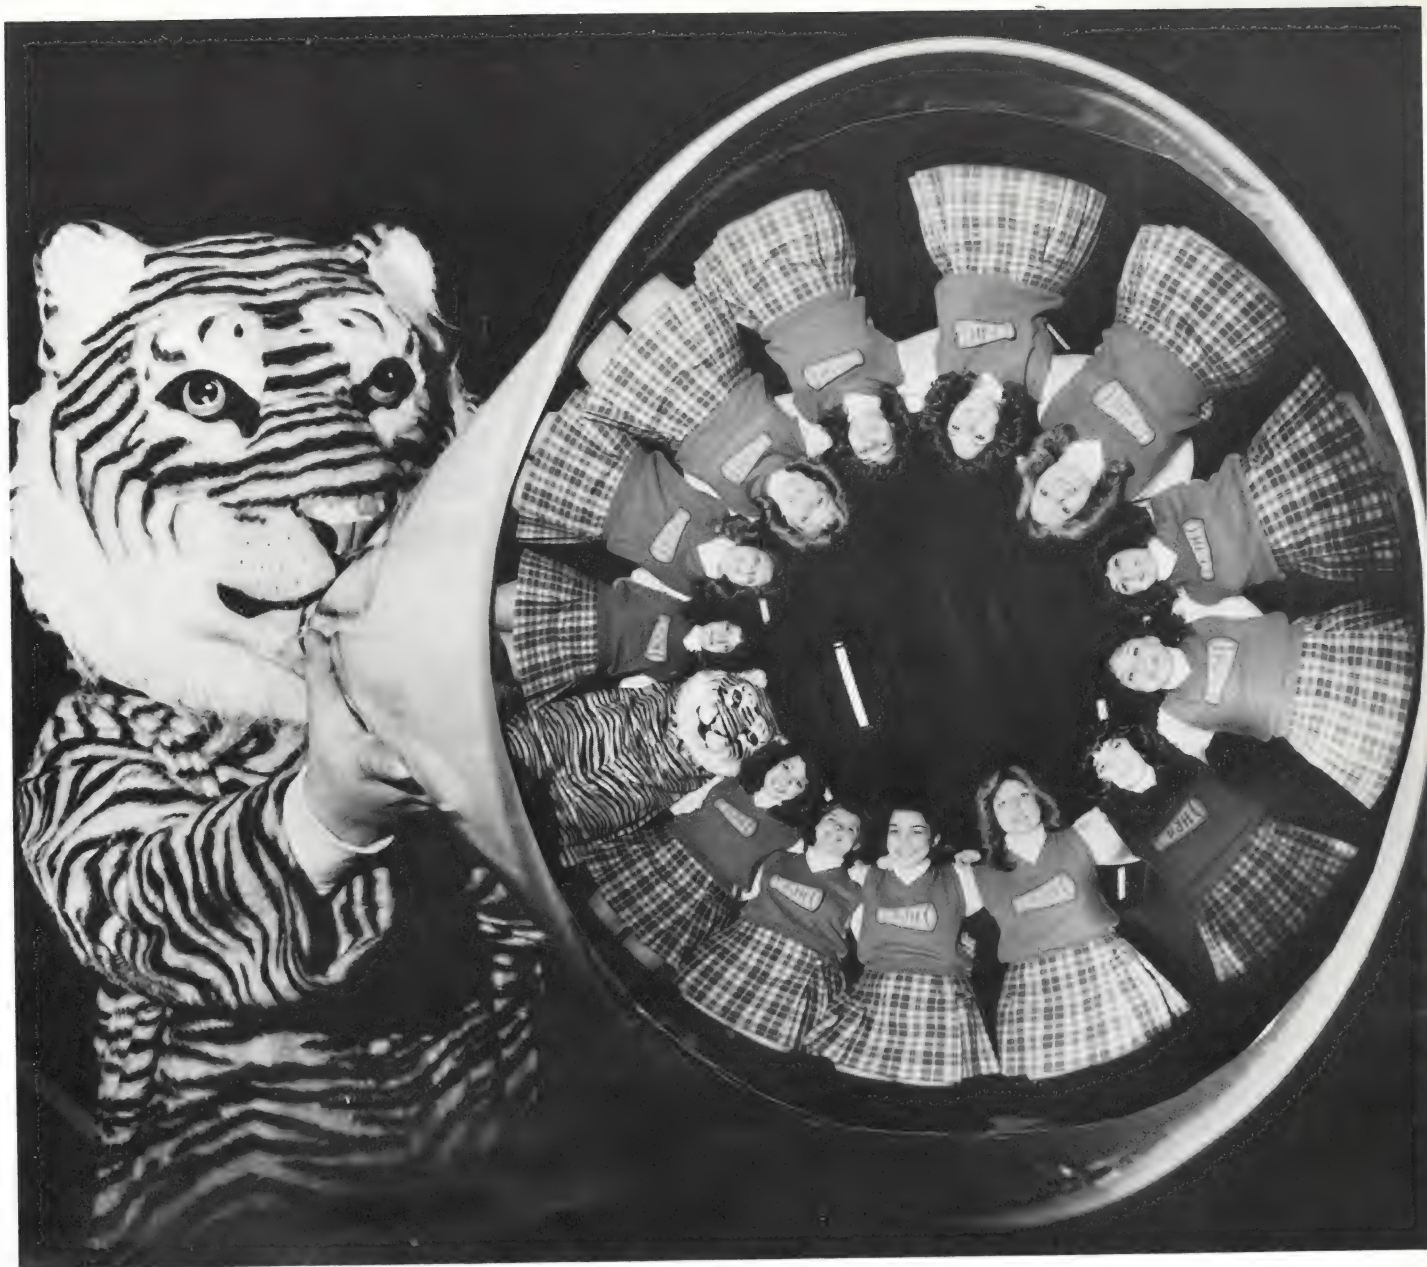

*When things go wrong, as they sometimes will,  
when the road you're trudging seems all uphill,  
when the funds are low and the debts are high,  
and you want to smile but you have to sigh,  
when care is pressing you down a bit-  
Rest if you must, but don't you quit.*

*Life is queer with it twists and turns,  
as everyone of us sometimes learns,  
and many a fellow turns about  
when he might have won had he stuck it out.  
Don't give up though the pace seems slow -  
you may succeed with another blow.*

*Often the goal is nearer than  
it seems to a faint and faltering man;  
Often the struggler has given up  
when he might have captured the victor's cup;  
and he learned too late when the night came  
down  
how close he was to the golden crown.*

*Success is the failure turned inside out -  
the silver tint of the clouds of doubt,  
and you never can tell how close you are  
It may be near when it seems afar;  
so stick to the fight when your're hardest hit  
It's when things seem worst that YOU MUSTN'T  
QUIT.*
